ServNet Outlines Agenda for CAR Conference in Las Vegas

ServNet's auction owners and executive staff will gather in Las Vegas in March for the annual Conference of Automotive Remarketing (CAR), being held March 17th through 19th at Caesars Palace in conjunction with the NAAA's Spring Business Meeting and the IARA Spring Roundtable. A long-standing sponsor of the CAR, IARA and NAAA conferences, ServNet once again supports this year's event, serving as both a Premier Sponsor and as CAR's 20th Anniversary Sponsor.

ServNet's agenda begins on Tuesday afternoon, March 17th, when ServNet's Board of Directors will meet together. Technology and the recent developments in the remarketing industry's Multiplatform System initiative continue to be the main focus of discussion.

"We as a Board of Directors meet routinely in person and via teleconference, and focus a tremendous amount of time and attention on the business matters involving the ServNet Auction group as well as topics pertaining to the industry at large," explains Chairman of the Board R. Charles Nichols. "We look forward to the in-person meeting of the Board of Directors at CAR, which allows for even better interaction and positioning of ServNet on major industry issues."

Tuesday evening, ServNet and Auction Insurance will co-host what has become a traditional yearly event at the conference: a dinner for IARA's Board of Directors.

"ServNet has joined with Auction Insurance Agency for the past six years to host a dinner at CAR for the IARA Board of Directors, and it is always a highlight of the conference week," said Patty Stanley, ServNet's President. "We look forward to meeting with the leaders in the remarketing industry who serve on the IARA board, to strengthen relationships, discuss important issues and consider the challenges and opportunities that lie ahead."

Following a full day of conference meetings and forums on Wednesday, March 18th, ServNet will host a hospitality event for all Conference attendees at 9 pm at OMNIA at Caesars Palace, the newest and most eagerly-anticipated nightspot in Las Vegas, which opens just the week before CAR.

"We're pleased to host our evening hospitality event at one of the most exciting nightclubs in Las Vegas," said Stanley. "It's a glamorous, high-energy space with a breathtaking rooftop garden and amazing views of the Las Vegas Strip. We're anticipating a great evening there with our many friends and associates."

The ServNet Auction Group is a network of America's best strategically located independently-owned wholesale auto auctions. Since 1988, ServNet member auctions have been working together to provide a full range of remarketing services to its customers, including the best auctioneers, inspections, reconditioning, transportation assistance and inventory financing. The ServNet Auction Group is managed by TPC Management with headquarters in Franklin, TN.
