ServNet Supports Three Industry Events

ServNet auction owners and the executive team will participate in the three major industry conventions remaining in 2015: the IARA Summer Roundtable in Fort Worth in August, the NAAA Convention in September in Orlando, and the National Remarketing Conference in Scottsdale in November. ServNet President Patty Stanley reports that ServNet proudly serves as a sponsor, and will be involved in many activities at all three events.

"We are pleased to support and attend these important industry conferences," said Stanley. "They provide an excellent opportunity for us to meet not only with our customers but with many industry partners, to strengthen relationships, move important industry initiatives forward, and plan for the future."

"ServNet is particularly pleased to sponsor the NAAA conference in Orlando in September," continued Stanley. "This year's event will be the last of its kind and we expect it will be well attended. However, we also look forward with great anticipation to the merging of the NAAA Convention with the National Remarketing Conference starting in 2016. Ron Smith of Cherokee Automotive Group is a great business partner of ours and we know that he and his staff will make the future combined conventions during Used Car Week wildly successful."

The National Auto Auction Association recently reached an agreement with Cherokee Automotive Group to combine its annual convention with CAG's National Remarketing Conference, beginning in the fall of 2016. The combined meeting will be held each year during CAG's Used Car Week and will be billed as the National Remarketing Conference/NAAA Convention. Next year's event will be held at the Red Rock Resort in Las Vegas.

The ServNet Auction Group is a network of America's best strategically located independently-owned wholesale auto auctions. Since 1988, ServNet member auctions have been working together to provide a full range of remarketing services to its customers, including the best auctioneers, inspections, reconditioning, transportation assistance and inventory financing. The ServNet Auction Group is managed by TPC Management with headquarters in Franklin, Tennessee.
