ServNet Partners with AFC for National Promo Event

Buyers at ServNet auctions across the country are being offered an exclusive opportunity to floorplan their vehicle purchases, thanks to a special promotion jointly offered by ServNet auctions and AFC. ServNet's President Kevin Brown reports that the promotion is offered to dealers buying at any of ServNet's 21 auction locations during the week of November 14-18.

"We are excited to announce the return of the "90 for 90" promotion that proved such a success in 2015," said Brown. "This partnership with AFC, spearheaded by ServNet auction owners and board members Rob Thompson and Eric Autenrieth, brings tremendous buying power to the auction lanes."

Brown explains that on scheduled sale dates at ServNet auctions from November 14th through 18th, dealers can floorplan their purchases with AFC for up to 90 days for an exclusive promotional rate of \$90 plus interest.

"This event once again demonstrates ServNet's innovative efforts on behalf of its commercial account customers to foster robust activity in the auction lanes," said Brown. "The promotion with AFC comes at the perfect time of year for our commercial accounts to sell more, and for dealers to stock up on great inventory before the holidays."

The ServNet Auction Group is a network of America's best strategically located independently-owned wholesale auto auctions. Since 1988, ServNet member auctions have been working together to provide a full range of remarketing services to its customers, including the best auctioneers, inspections, reconditioning, transportation assistance and inventory financing. The ServNet Auction Group is managed by TPC Management with headquarters in Franklin, TN.
