ServNet and AFC Bring Added Liquidity to the Spring Market

ServNet Auctions and AFC, one of the nation's leading Dealer Floor Plan Financing providers, have again teamed up to bring liquidity into the auction lanes with a **60-for-60** promotion at ServNet Auctions across the country during the week of March 27th - 31st.

"We have experienced tremendous success with our partnership with AFC, which has allowed us to offer several similar promotions since 2015," said Kevin Brown, ServNet's president. "This partnership with AFC, spearheaded by ServNet auction owners and board members Rob Thompson and Eric Autenrieth, brings tremendous buying power to the auction lanes."

Brown explains that on scheduled sale dates at ServNet auctions from March 27th through 31st, dealers can floorplan their purchases with AFC for up to 60 days for an exclusive promotional rate of \$60 plus interest.

"This new AFC promotion comes at the perfect time of year, boosting the spring market at all 21 ServNet auction locations," said Brown. "It gives our commercial accounts the ability to sell more and for our dealers to stock up on prime inventory."

The ServNet Auction Group is a network of America's best strategically located independently-owned wholesale auto auctions. Since 1988, ServNet member auctions have been working together to provide a full range of remarketing services to its customers, including the best auctioneers, inspections, reconditioning, transportation assistance and inventory financing. The ServNet Auction Group is managed by TPC Management with headquarters in Franklin, TN.
